

# 4<sup>th</sup> National Conference - cum - Exhibition on Safe Cities

**Monday, 18<sup>th</sup> November, 2013**

**New Delhi**

## CHIEF GUEST\*

**Shri Sushil Kumar Sambhaji Rao Shinde**  
Hon'ble Home Minister, Ministry of Home Affairs  
Government of India

## INTRODUCTION

The envisaged event is a one day Conference and Exhibition planned for 18 November 2013. The theme, Safe Cities, would evaluate and testify the contemporary solution available in the domain of Security and Surveillance. The objective however is to create a forum to discuss the various initiatives in India to enhance the internal security and discuss the way forward in protecting its citizens and public assets.

The current Conference would aim at involving policy makers, implementation agencies, experienced security professionals and the industry to showcase and discuss their expertise available in the security and surveillance domain. It would discuss (and exhibit in the parallel) cutting edge technology, equipment, challenges (financial and technological), the political effort and the best practices world-over in the domain of security and surveillance. It will also provide a networking platform to engage stake holders in security from the Govt., public and private sectors and industry to benefit from a possible symbiotic synergy.

Shri Sushil Kumar Sambhaji Rao Shinde, Hon'ble Home Minister, Ministry of Home Affairs Government of India Inaugurating the Conference

Shri M. Shashidhar Reddy, Vice Chairman, NDMA Releasing research report during ASSOCHAM Conference

Shri B. K. Gupta, IPS (Retd.) Former Commissioner of Police, Delhi releasing research report during ASSOCHAM Conference

## OBJECTIVE

Spread awareness on security issues to citizens, businesses, and various establishments like Banks, Hospitals, Malls, Metros, Public & Private Sector undertakings etc. by sharing of best practices and experiences in India and abroad, to help them better prepare for various security threats and incidents.

Bring together experts from the public and private sector on a single platform to discuss and lay-out guidelines for improved coordination, networks, and interaction between various commercial enterprises, institutions, medical establishments, government agencies, security agencies and other stakeholders for enhanced preparedness and an improved safety and security environment.
